**About the Summit Venue:** <https://www.jrh-cleveland.org/> - Jesuit Retreat Center has a remarkable 121 year legacy, beginning in 1898 as the first and longest continuing place in the United States providing retreats for the laity as well as for clergy and religious. In the first half of the 20<sup>th</sup> century, Jesuits came from around the world to make their tertianship at JRC, the final stage in Jesuit formation. Pedro Arrupe SJ came in 1937-38 and later served as Superior General of the Jesuits from 1965-1983. Centrally located on a beautiful 57-acre wooded site, JRC is within 15 minutes of the airport. With a major new addition and renovation, JRC serves over 7,000 people each year with retreats based on Ignatian spirituality and as a conference center. There are 67 sleeping rooms with a capacity for 77 people. Most sleeping rooms have shared bathrooms. A limited number of sleeping rooms have private bathrooms and are ADA compliant.
